

The Asia-Pacific Irish Business Forum (APIBF): October 10th, Penang

The first meeting of the APIBF was held in Singapore in 2007 prior to the Asia Gaelic Games and since then the Irish Business Associations across the region have been coordinating their efforts to create solid links between the various associations and to leverage their connections across the region.

A new website has been launched to facilitate this process and a meeting of the APIBF is scheduled to take place on October 10th in Penang, one day prior to the Asian Gaelic Games.

All Irish business people with an interest in Networking across the Asia-Pacific region can join by registering on the website:
